verse 1

Before the victory, Before the breaking through

I choose to trust You, Put all my hope in You

Here in the barren place

Where all I have is faith

Lord, I will praise You

Before the breaking through

D A Esus4 A 2x

verse 2

Until the promise, Until the miracle

I wont grow weary, I wont be cynical

I've seen enough to know

You haven't lost control

Lord, I will praise You

Before the breaking through

Yes, I will praise You

Before the breaking through

Oh, I will praise You, Before the breaking through

chorus

Before the walls come down

And the strongholds break

Hallelujah Hallelujah

Until the mountains move

And the seasons change

Hallelujah Hallelujah

D A Esus4 A 2x

God you are faithful, To every word you say

Your not a liar, And you make no mistakes

And when i cannot see

Here in the in between

Lord, I will praise you

Before the breaking through

Yes, I will praise You

Before the breaking through

chorus
