The prostitute the lying ones

The destitute the dying ones

He came for everyone

If you've been left out

Forgotten

Just come to the fountain

And drink from the water of life

If you've been let down and broken
Em
His arms are wide open

Just drink from the water of life
Am
This water will never run dry

Believe me cause I would know
D G
I was that wounded one
G/B C
I was that prodigal

I was that wayward son
Em
How did I even live

Before I knew life above

What a beautiful life it is
Em D
Cause I was redeemed by love

He has overcome
