Verse 1

Are You Proud?
Am I walking on the path that You set out
Up on heavens balcony You're looking down
and I've had my doubts, are You proud?
Am I loved?
Most the time I feel like I'm not good enough
It's like I always find a way to mess things up
After all I've done, am I loved?

Pre-Chorus

Oh to see You smiling over me, If only just to know that You are pleased
Even though this winding road has lead me through the weeds.

Chorus

I wanna hear You say, "you're good and faithful"
Words written on Your face, "you're strong and able"
I wanna hear You say, "come to my table"
I wanna hear You say
